The campus features 23,290 SF of **creative office**, 1,350 SF of **cafe/retail space** and flexible **outdoor courtyard** space for tenants to fully experience the Los Angeles work lifestyle. Birkdale Landing offices have floor to ceiling windows providing natural light with views of the landscaped courtyard and **Los Angeles River** thoughtfully designed to combine tranquility and productivity.

Birkdale Landing boasts **750 feet** of riverfront property which is one of the largest privately owned spans of property in Frogtown. The project's unique location allows easy access to amenities in the immediate area and surrounding neighborhoods which include:

- An abundance of **eclectic retail** and amenities
- Immediate access to **Taylor Yard Bridge** and 8 mile stretch of the LA River **bike path**
- Walkable surrounding streets with trendy non-chain retail
- **Epicenter** of Los Angeles River Revitalization

**2433 Birkdale Street** is located in the heart of NELA just northeast of Downtown Los Angeles, east of Silver Lake and Echo Park, and south of Atwater Village and Glendale. **Frogtown**, nestled in between the 5 Freeway and **Los Angeles River**, is a captivating mix of residential and industrial buildings, a blue collar neighborhood with a fascinating history and **unique atmosphere** to experience. Over the years the heavy manufacturing businesses that occupied the riverfront buildings have vacated, creating an opening for a variety of artists to flow into the area and repurpose the buildings as workshops, studios, and galleries.
